Marie - when would be a good time to touch base on this?

Thanks.

Subject: Trash Removal Monopoly

Dear Suzanne,

What is the DCBID position on the trash removal monopoly. See story attached.

Please lets work at reversing this ordinance and resume a competitive marketplace. We reduced our landfill waste by 100 tons per year since 2008. Since 2014 our waste removal costs are up 130%. This will put small companies out of business. Let's support the ordinance recall at minimum.

Let me know your thoughts.

Thanks,

Mike
